

THE BOOK OF PROPHET KACOU PHILIPPE

KACOU 108: THE EVANGELISATION

(Preached on Sunday morning, April 15, 2012 in Sikensi, region of Abidjan-Ivory Coast)

1 ... May God bless you! I was with the brethren of abroad on Skype and Sister Mireille gave a testimony. She once wrote me about a job that came up to her and she said to me, *"Brother Philippe, there, I will have a pay rise and I will work during the day only..."*. And I said to her, Sister Mireille, I see that it's good but my heart does not accept that. And she did not sign the contract, and yesterday, she gave the testimony saying that the company that wanted to hire her had closed down last month. You see? She did not need to fast or pray to know the will of God. Why? Because she follows a living prophet. And I told her that from Moses down to William Branham, they are all true prophets but today, they cannot do that because they are already dead. [Ed: *The congregation says, "Amen!"*].

2 That reminds me of the testimony of Sister Sharon Wilson about her daughter Celeste Hixon while she was in Ontario. Her baby is in the hands of the government and she had a dream when she was in Ontario with her mother, Sister Sharon, and her grandmother and she lived a pious life in the Message of William Branham. And after the dream, she ran to her mother and her grandmother and she said, *"Mom I've had a mysterious dream. I saw a black judge giving me my baby"*. And after those things, she forsook the Message of William Branham and had taken evil ways... But two months ago, she came back to Grindrod, in British Columbia with her husband, Brother Paul. And when she saw my picture on the internet, she said to her mother, *"Mom, I've already seen this man, it's the face of the black judge that I saw in the dream when I was still in the Message of Brother Branham in Ontario"*. And Sister Sharon says that she had shivers when she heard that. And I told them that was a dream from God. And that will be fulfilled and it will be forever. [Ed: *The congregation says, "Amen!"*].

3 And I told you that the day comes and you will soon hear among those who are rejecting me something like: *"I had a revelation and a voice from Heaven said to me, "I AM THE GOD OF PHILIPPE..."* It will be in such a way that they will not be able to say that that comes from the devil and they will indeed know that it's question of me and that will be much stronger than if they were presented a picture of the Pillar of Fire! Note well that! [Ed: *The congregation says, "Amen!"*].

4 Well, the following note... If a brother, after the baptism, has sold himself to the usurers, he must neither give any tithe nor any offering, even out of his own money until he leaves that abominable thing and that the assembly prays for him. But if he came to the Message in that state, I ask that the assembly help him to get out of that. [Ed: *The congregation says, "Amen!"*].

5 Another note, you know that a bride is the most precious thing that God gave to man after Salvation. But if you fail to make the good choice, it's the worst thing to be. This is why, God permitting, I will speak one day about the choice of a bride. And in relation with that, I remember something: Brother Jean Paul came to see me. He came to tell me, *"Prophet, I wish you help me get a bride"*. And I told him, You shall marry Sister Emma. And I told him to go and meditate upon that. And I also called Sister Emma and I said to her, Sister I suggest you to be the bride of Brother Jean Paul, go and think about it. She did not know him and I showed her a picture of the brother on my telephone. Some time later, the brother came to tell me that he wished it to be another sister. I said, Alright, it's understood! Likewise, one day, the sister also came to tell me that she wished it to be another brother. I said, Okay, I understood! Months passed by and one day, the brother came to tell me, *"Brother, I feel like I'm starting loving the sister."* And I told him, "Brother, that must be a diabolic thought, cast that away!" [Ed: *The congregation says, "Amen!"*]. And after that, one day, the sister also came to see me. And she said, *"Brother Philippe, I feel like I'm starting loving the brother."* And I told her, "Sister, that must be a diabolic thought, cast that away!" You see? And today, it's a good couple. [Ed: *The congregation says, "Amen!"*]. They so love each other that after only five years of conjugal life, they have already three children. And the elders do not spend their time settling their home problem. [Ed: *The congregation says, "Amen!"*].

6 Well, talking of the line of demarcation, a brother asked a question that I have retained. He said, *"Brother Philippe, when a pastor marries an already-dishonoured sister, is that upon the line of demarcation?"*

Brethren, if that pastor is obliged to do it because there is no virgin, it's okay, but, in the opposite case, it's a sin. If there is no virgin sister having a good behaviour, a pastor can take a sister who is not virgin and that is correct. [Ed: *The congregation says, "Amen!"*]. If he's already a pastor, he must not do that! And if it is a preacher, he can do it only if his pastor allows him to. [Ed: *The congregation says, "Amen!"*]. The pastor and his bride, it's Christ and the Church. And you know that the virgins, even before the marriage, are entitled to the tithe. It's not beauty that gives her the right to the tithe but virginity. To say that the tithe and especially the tithe of the tithe was already her right even before marriage. And the wife of a pastor, apostle or prophet cannot get

THE BOOK OF PROPHET KACOU PHILIPPE

married with a mere brother of the assembly after death of the latter. And the assembly has to take care of her till her death. [Ed: *The congregation says, "Amen!"*]. The midnight Cry is in its whole perfection. The whole of the Bride of all the ages is a mixed race woman but the perfect Bride of midnight will appear as a black virgin and all of our white brothers and sisters will get in as Africans. [Ed: *The congregation says, "Amen!"*]. And if the tithe is not the right of a dishonoured woman, the tithe of the tithe cannot be the right of a woman who has even the blood of abortion on her hands, no matter how beautiful she may be.

7 Another brother sent me a question. He said, "*Brother Philippe, can a brother, who's had a sanction and who's out, forward his tithes to the assembly?*" The answer is: No, but, being outside, he will keep on laying his tithe aside and he will send it when he is readmitted to the assembly.

8 Another question: "*Brother Philippe, can we work in a Baptist home or in a Baptist church?*" Everything depends on what you do. When we were building here, all kinds of people were there, even pagans and Muslims.

9 Well, this morning, I want to talk about the evangelisation. You see? It has seemed good to me to give some instructions before beginning the evangelisation. For, the brother who goes to a debate, a confrontation or a conference in any country or any city, must know that he goes there on behalf of the prophet and the brothers and sisters of the Message. He must have listened or read all the sermons of the Message, having a good life and the Spirit of the Message.

10 For program you have requested and where you are alone, you can suggest some questions to the journalist.

11 I believe that God prepared a gift for each circumstance and it is with the gift that He composes. And faced with the unbelievers the gift of evangelist is the appropriate gift. And when a pastor or a preacher or a mere brother who has the gift is working, you will see that he's the right person. God is with him. He can say many things at a time and in a few words and in a short time, with assurance. It's somebody who knows what he is talking about, mastering his subject. Somebody who is able, in one only hour of program, to skim over the main points of the Message. I know that God has provided the Message with such men. And as soon as you start detecting such brothers, you can call them to intervene in your place, if possible. You see?

12 For a program, there can be several guests but the midnight Cry is made to give another orientation to debates. [Ed: *The congregation says, "Amen!"*].

13 Now, I believe that the time has come when you can preach the Message on any radio or television or press or internet online radios. Do it everywhere you are given the opportunity. Do it everywhere, on any media, be it great or small, whatever the place. Whether it's religious or not. If you have the opportunity to do it, do it. And in every country, the missionary offerings can also go that way. And the faithful can follow the programs, even on television. And also, bring a recording to Brother Boga who will put it on the site www.philippe kacou.org for everyone! You see?

14 The whole world must know that if God sends a prophet on the earth, he will not come to repeat what the Bible has already said. But he must preach what the whole world does not know and he must write his own book which must have the same value as the books of Isaiah, Jeremiah and of each of the prophets of the Bible. And during his ministry, it's his book which is the only book of Life of the Lamb for his generation, for, when God sends a prophet on the earth, in his time, he is the Way, the Truth and the Life. And no one can be saved but by him. He's the one who defines sin. And apart from what that prophet is saying, all the rest, including those who are here around this radio table, they are seducers sent by Satan to seduce the inhabitants of the earth those whose names were not written in the book of Life of the Lamb before the foundation of the world. [Ed: *The congregation says, "Amen!"*].

15 Do not wait to enumerate the names of the seducers as I have always done. And that people know that when two prophets, having different churches, unite for a religious work, it's the devil. The prophets of God have always been alone. It must be known that when Noah was ministering on earth, there was no one serving God in some place on the earth...

16 And that the same demons, Osiris, Buto, Zeus, Amon-ra of Egypt are the same Adrammelech, Succoth-Benoth, Nergal, Ashima, Nibhaz, Tartak of the Canaanites and they are the same demons that were in the prophets of Baal and they are same demons that were in the Pharisees, Sadducees, Zealots, Essenes, Herodians and others in Israel. And they are the same demons that are in those Catholic, Protestant, evangelical, Branhamist churches and missions and ministries today. And the same fallen angels and demons of Egypt and Canaan are all named Jesus Christ today. [Ed: *The congregation says, "Amen!"*].

17 Also, in every city, every country and in all the languages, you can make hundreds or thousands of evangelisation flyers as we did here in Ivory Coast with your contacts and the link of the site

THE BOOK OF PROPHET KACOU PHILIPPE

www.philippecacou.org on them and when one that has received wants to hear, you can either explain him or give him a chapter that is suitable for him.

18 When they ask, what is the evidence that I am a true prophet? Say at least that he was announced by William Branham in 1963. And that Matthew 25:6 and Revelation 12:14 say that that time we are living in, God shall arouse an African to fulfill what he is doing. And he came with a call, a commission and a prophetic Message. He prophesied about nations, foretelling things like the war in Iraq, in Syria, the fall and the death of Gaddafi. He said that there would not be any war in Cameroun and in Congo because of the midnight Cry and things happened just exactly. And he has healed and performed many miracles, among which, healings with medical confirmation. He has revealed several mysteries among which the passage of the children of the devil through the Flood. He came to conversion through three visions and in the third vision, he was told, *"The same way that Mary conceived miraculously, without knowing any man, the same way that Moses received in details what happened at the creation, you have received the Words of eternal Life on this April 24, 1993 and it is decreed by God. At the appointed time, you will understand and you will teach what you did not learn in order that whoever believes has eternal Life"*. [Ed: The congregation says, "Amen!"].

19 Today, in less than ten years of ministry, the midnight Cry is preached everywhere in the whole world. In French, in English, in Spanish, in Portuguese, in Swahili and in Malagasy language.

20 Tell the whole world that the Bible is a history book. The Bible is the museum of Judaic and Christian civilisations and that, since 1965, the brochures of William Branham are deposited into that museum. And that every prophet comes with a new Message which is the book of Life of the Lamb for his generation and that Revelation 22:18-19 refers to the book of Revelation only.

21 The human kind must know that apart from Hosea 12:14, there is no Salvation and that the works of God are summed up in only one work and it is John 6:28-29! No one can serve God unless he is with the living prophet messenger of his time. In Matthew 24:24, Jesus said there shall come false prophets but in Matthew 23: 34, He promised to send true prophets as He had sent some in the Old Testament because He is the same yesterday, today and to the ages to come. And after him, Paul came as a prophet with an authentic call on the way to Damascus...

22 What would I say further? Brethren, with 107 sermons, you have so many things to say, I simply recommend you to the Holy Spirit so that He may inspire you. [Ed: The congregation says, "Amen!"]. The human kind must know that where there is no infallibility, there is no Salvation and that one cannot follow God unless he follows the living prophet messenger of his time as in the time of Noah. [Ed: The congregation says, "Amen!"].

23 If you follow these prescriptions, be that as it may, God will make so that all will be oriented towards you for the whole world to get enlightened. You see?

24 Call things by their name. After your first words, the listeners must understand that the Catholic, Protestant, evangelical and Branhamist churches are nets of Satan. You see? The Bible says that by a prophet Jehovah brought Israel out of Egypt and by a prophet Israel was preserved. And Jehoshaphat said to Israel in 2 Chronicles 20:20, to trust God and his prophets and the Bible is the book of the books of the prophets. Every church that is not led by an authentic prophet messenger sent from God with a call, a commission, a Message and the seal of infallibility is a herd of swine. [Ed: The congregation says, "Amen!"].

25 Each Catholic church is a herd of swine, each Protestant church is a herd of swine, each evangelical church is a herd of swine, each Branhamist church, each mission and ministry is a herd of swine. In a short time and with a few words, go through all the Message, the war of Armagedon, the spirit of divination in the churches, the false bibles. Go round everything so that human kind may be enlightened. [Ed: The congregation says, "Amen!"]. You are the light of the world and be that as it may, make sure that the world is enlightened.

26 Show the fact that church prophets, apostles, evangelists, teachers and pastors cannot write a book. The priests, clergymen and pastors do not have the right to write a book. Luke and the apostles wrote as scribes. You see? Did they bring doctrines or another thing coming from themselves as Paul did? No! In the Old Testament, the scribes reported the history of the kings of Israel and on this side, in the New Testament, Luke and the apostles reported the history of the Lord Jesus Christ without adding anything, for He is the King of kings of Israel. Israel had great priests like Zadok, Elnathan, Abiathar and many others and the anointing upon them was of God, that's why they did not write any book. Yet, the priesthood of the Old Testament, they are the apostles, prophets, evangelists, teachers and pastors in the New Testament according to Ephesians 4:11. God never gave them this right. And whoever does it, is like king Uzziah with the golden censer in his hand. And leprosy is upon him. [Ed: The congregation says, "Amen!"].

THE BOOK OF PROPHET KACOU PHILIPPE

27 Condemn those unions of churches! If a Baptist cannot take the holy communion with the assemblies of gods and if an assembly of god cannot be a pastor with the Methodists, why are they together in unions and federations of churches? Can there be a herd of several animals of different species? It is not possible. But if it is not possible, why are you together while you do not have the same doctrines?

28 And even, if it is needed, show to everyone, even to the authorities that you are that same old Church now preaching the midnight Cry. Grounding yourselves on what the Message says, to show them clearly what we preach. They do not have the right to forbid you this divine grace which is the midnight Cry. Caesar is not worthy to give an authorization to preach to Christ and to the apostles. Caesar was not worthy of it and his children too are not worthy of it today. And that, you must tell them that. *[Ed: The congregation says, "Amen!"]*.

29 When they tell you that, *"If the pastoral school is of the devil, then how can one become a pastor, apostle, and so on...?"* You will say that it's only a prophet messenger who establishes and consecrates the ministries of his time. A priest does not establish another priest. And priests cannot be established by another priest through laying of the hands as we can see in the churches. It is the prophet messenger who chooses the servants of God of his time. It's the only way drawn by God. It was Moses who established the priesthood according to Leviticus 8 without any pastoral school. And If you are a true servant of God, you will come to Moses like Jethro, the priest of Midian. It was John the Baptist who established Apollos without any pastoral school. It was Paul who established Titus, Timothy... without any pastoral school and today, it is Kacou Philippe who has established me without any pastoral school because as a prophet, he saw the gift in me. *[Ed: The congregation says, "Amen!"]*. And you, Catholics, Protestants, evangelicals and Branhamists, if you pay the tithe to an apostle, evangelist or pastor and that he does not pay the tithe of the tithe to the High priest who is the prophet messenger of his time, there is a missing link, it's thus false, it's a scam. Because through which prophet messenger did God establish you apostle, evangelist or pastor? *[Ed: The congregation says, "Amen!"]*.

30 Men must know that, according to John 9:5 and John 6:28-29, when you have rejected the living prophet messenger of your time, the Jesus Christ you worship is no one else but the devil. The Catholic, Protestant, evangelical and Branhamist churches including missions and ministries worship the devil in the Name of the Lord Jesus Christ. Human kind must know that the keys of the Kingdom of the Heavens are always on earth with a man who is the burning lamp and the light of the world. You cannot do the work of God unless you believe and you are the spokesman of him that God has sent. Even if your piety is greater than that of Cornelius, God will do nothing but lead you towards him that has the keys of the Kingdom on earth in your time. The keys of the Kingdom went from John the Baptist to Jesus Christ, from Jesus Christ to Peter, from Peter to Paul then from Irenaeus, to Saint Martin of Tours, to Columban, to Martin Luther, to John Wesley, William Branham and to Kacou Philippe today and will be to somebody else one day when Kacou Philippe will no longer be on earth! *[Ed: The congregation says, "Amen!"]*. When Israel asked for a king to God, God gave them a king, but the keys of the Kingdom remained with Samuel the living prophet. The keys of the Kingdom of Heavens are always with a living prophet on the earth. And there will be thus till the end of times. *[Ed: The congregation says, "Amen!"]*.

31 Now, to close, I am going to talk about something else. You know that the life of a prophet is a mystery whose understanding is only given to the elect. And you Branhamists, what offends you today is what William Branham saw and rejoiced saying, *"He that is coming after me will be a glorious character"*. They are not miracles, because William Branham himself made some greater and in great number! They are not mysteries either, because it was him, William Branham, who revealed the seven seals, which are supposed to be the greatest mysteries of the Bible. But what did he see then? What he saw is exactly what offends you today. *[Ed: The congregation says, "Amen!"]*. But I do not believe that there can be a prophet whose life is not the Word of God. Look at those who were outraged by Moses' life, they are not Egyptians, they are not Canaanites but some Jews like Aaron and Miriam and God said, I shall now hide the life of my prophets till the end of times so that the earth shall not perish. And at the end of times, he has brought back one greater than Moses on the earth and the sin of Aaron and the leprosy of Miriam are upon Branhamists today. *[Ed: The congregation says, "Amen!"]*.

32 William Branham said that the two Angels that came down with God towards Abraham in Genesis 18 are Billy Graham and Oral Roberts! And I said, No Sir! Those two angels are rather Elijah and Moses. William Branham had explained how the children of the devil went across the Flood saying that it was through the adultery of one of the wives of the sons of Noah who was pregnant from some adultery with a son of the devil and Ewald Frank supported that. But I said, No Sir! And I preached by a prophetic revelation the passage of the children of the devil through the Flood. *[Ed: The congregation says, "Amen!"]*. And there are many other

THE BOOK OF PROPHET KACOU PHILIPPE

things. And you leave all these things to talk about what you do not understand? The sin of Aaron and the leprosy of Miriam are upon you!

33 You talk about seven stars, about final Message so as not to progress, for fear that you should be saved, but William Branham in whom you pretend to believe said in the preaching entitled: *WHAT IS THE HOLY GHOST?* Preached on December 16, 1959 on page 19, ref. 75 at the Branham Tabernacle, *"Luther walked in one light; Wesley walked in another. Wesley walked in one light; Pentecostals walked in another. But we're walking on higher, on higher than that today. And if there is another generation, it'll go beyond us". [Ed: The congregation says, "Amen!"]*.

34 As for you brethren, when one day I am no more, keep united there where I am going to leave you and let your prayer be: Lord, send us another prophet messenger! If a brother, no matter how good he is, comes and tells you, *"Brothers and sisters, beware, a prophet said this, this is what we must do..."*. It's not important! A truth does not produce an exodus! Remain united in spite of that. But if he comes and tells you about a prophet messenger, pay attention to that. Nothing must interest you if it is not a living prophet messenger. *[Ed: The congregation says, "Amen!"]*. In this age of the eagle, a chosen one cannot live without a prophet messenger and I tell you that even on the day of the rapture, there will be a prophet on the earth. He that can understand, let him understand!
