

THE BOOK OF PROPHET KACOU PHILIPPE

KACOU 118: STANDING ON THE PYRAMID

(Preached on Sunday morning, August 18, 2013 in Sikensi, region of Abidjan – Ivory Coast)

1 Before starting, I repeat that if you come across some people having the preachings of the midnight Cry, even a church preaching some points of the midnight Cry, I am not saying that they are your brethren in Christ but leave them alone. The Lord said: he who is not against us is for us.

2 Now, we are in this world as lambs. We never attacked anybody, we never got involved in politics and yet, everyone is against us. I prefer passing over lots of things in silence knowing that God, in the Heaven, sees all things. Even as I am speaking to you, Apostle Crepin Kambale and the pastors and preachers Déba, Ugene, Désiré and Néville are in prison in Congo because of the Word of God and they have now been transferred with the criminals and great bandits to the prosecutor's office of Bunia. They are in prison and their wives and their children are hungry. You see? Their crime: they preached something that the others do not want and that, in a country which is said Christian and which ratified all the agreements of freedom of expression. You see? We are like lambs on the earth but the day comes when we will no longer see those things. [Ed: *The congregation says, "Amen!"*]

3 And taking all that into consideration, you know that there is one name that keeps coming back: Kacou Philippe, Kacou Philippe... And those countries can ask the Ivory Coast to do them a service. I think that you understand that. All that does not go unseen. You know that Brother Crepin works for the mission of the United Nations in Congo. And concerning all these things, I gave some instructions to Brother Martin if I would leave or something had to happen. I do not want anybody to interfere in all that will take place here except if it is a brother. I have never forgotten my origin as a son of an illiterate farmer. My father was poor and when a public school was to be built in my village, it was his yard that was chosen and the current site of the classrooms of the second grade and the third grade is my father's yard and nobody has ever mentioned that.

4 And when he died in 1998, all the old women that take care of the bodies of poor people who do not have means for the morgue refused to come and it was an older brother and an older sister of mine, both children of my father, who took care of his body up to the burial. And I was with my father when everyone refused to lend him some money because he would not be able to reimburse. I have not forgotten those things, that is why I have never sought for human greatness.

5 Well, this morning I would like to speak about the subject: *Standing on the pyramid* and for that, I would like to read two passages in Leviticus 8. The pyramid of the seven Church ages has seven stages then an empty space, then a capstone. And in the vision of April 24, 1993, I was there, standing on this pyramid, as high as a tower. And each of the seven stages is well delimited and kept. The ministry of the Capstone is the ministry of the prophet messenger that will be on earth, when the rapture will take place. And when the Capstone comes down, there shall be thunders, lightnings and voices and seven days shall not pass that the rapture takes place. [Ed: *The congregation says, "Amen!"*] It is thus saith the Lord.

6 But before this day comes, people will preach freely in the streets of Egypt, Lybia, of Tunisia, of Algeria and Morocco in the name of the God of the Christians. Did you notice something? When I said that there would be winds in the Maghreb to prepare the way of Mark 13:35, there was an election in Egypt. And when I heard that Mohamed Morsi, a follower of the shariah and the candidate of the Muslim Brotherhood, a branch of the Hamas, became the president of Egypt on June 30, 2012, I said: It is not him, it is an error! And on July 3, 2013, before he had time to sit, he fell. Amen! If Kacou Philippe says that Ahab will fall and that after the elections, the president of the constitutional Council comes and announces Ahab's victory on television, keep serene. [Ed: *The congregation says, "Amen!"*]

7 Very well, now let us read Leviticus 8: *"And Moses brought Aaron near, and his sons, and bathed them with water. And he put upon him the vest and girded him with the girdle, and clothed him with the cloak, and put the ephod on him, and he girded him with the girdle of the ephod, and fastened the ephod on him. And Moses brought Aaron's sons near and clothed them with the vests, and girded them with the girdles, and bound the high caps on them, as Jehovah had commanded Moses"*. Moses was thus establishing the priesthood. You see? There is no truth and Salvation but in God alone and the living prophet messenger is the mouth of God on earth. And it is a prophet messenger who is entitled to establish the priesthood.

THE BOOK OF PROPHET KACOU PHILIPPE

8 And the priests of the Old Testament are the ministries of Ephesians. 4:11. A priest cannot establish another priest. And priests cannot establish another priest through laying of the hands as we can see in the churches today. You have recommended and sent yourselves saying: I have a call of an apostle or teacher or an evangelist. Your absolute is the Bible but I tell you that a call of an apostle or teacher or evangelist exists nowhere in the Bible. If one day somebody rose and went to tell Moses that he feels a call of a priest on his life, one does not need the Urim Thummim to tell him that his revelation is of the devil. [Ed: *The congregation says, "Amen!"*]

9 If you have a call of an Apostle on your life, it belongs to a prophet-messenger to tell it to you and it is only him who has to establish you. Gospel means glad tidings. And if you are an evangelist, what Gospel are you aiming to announce and which is unknown to humanity? You say: I healed, the blind see, the paralytic walk... Alright but when those miracles gathered the multitude around you, what was the goal? Elijah had a Message which consisted in telling Israel that apart from him, all the servants of Jehovah of his time were only servants of Baal and the holy spirit by whom they opened the blind's eyes and made the paralytic walk was only demons of divination. Yes sir! They were prophets claiming themselves of Jehovah, like the evangelicals today and when Elijah killed them, the same demons aroused hundreds of others who opposed Micah in 1 Kings 22 and the Bible calls them: *"the prophets of Jehovah "*. But thank God, there is always a true prophet somewhere for the saints living in the generation. [Ed: *The congregation says, "Amen!"*]

10 Year after year, vigil after vigil, service after service, the prophets of Baal performed great wonders, some paralytics from birth walked, some blind people from birth saw and their preaching was: *"Our father Abraham did this, Moses did that, Israel did this, Jehovah did that, Jehovah, Jehovah..."*. Everything was correct, biblical but it was the devil that was behind. And Israel did not understand when Elijah said that it was the devil. You see? And thus, Solomon did not know that the gods of his wives were the devil. If, in year 2013, after a miracle, your gospel consists in saying to the whole world that Jesus is resuscitated then you are a prophet of Baal and if God is God, He is obliged to raise up a man, having the Spirit of Elijah, to name that sin. [Ed: *The congregation says, "Amen!"*] And if the miracle of the voodoo priest is of devil, why will the miracle of the Catholic, Protestant, evangelical and Branhamist priest or pastor be of God? Why will one be of God and the other of the devil while both fulfill the same mission by the same spirit? If, after having performed all those miracles, you only come to announce what is already written in the Bible, it is the proof that you are a servant of Satan. [Ed: *The congregation says, "Amen!"*]

11 It is the same war that started in Heaven. Those prophets were in the Judaism. They all preached Moses and they all claimed themselves of Abraham. Like Elijah, they all claimed themselves of Jehovah. They performed great wonders. And only a prophet could unveil them. And it is the same thing today with Catholic, Protestant, Evangelical and Branhamist churches. And they were all unveiled and defeated. Notice that every time that an army of demons is defeated by the God of the Jews as in Egypt, this army of demons leaves Israel and goes to the conquest of the humanity with a great religion of a monotheist appearance like Judaism, with a holy book, rites and a prophet like Moses. This was the case for Hinduism, Islam and all that we see today and which you call Christianity. Islam, Christianity and Judaism are the three great manifestations of Satan on the earth. They are the three spirit of frogs in Revelation 16:13. These three religions claim to be of Abraham. These three religions believe in Moses. These three religions do not believe in living prophets but each claims to be of a prophet that it did not know. Each of them has its own holy book. And all three are waiting for the Messiah. They are the three spirits of frog of Revelation 16:13. [Ed: *The congregation says, "Amen!"*].

12 And in the eyes of God, a Catholic is not a Christian, he is a Catholic. You see? A Protestant is not a Christian, an Evangelical is not a Christian, a Branhamist is not a Christian. They are not. It is the living prophet of your generation who says so. You are free to accept or reject it, but that is what it is. [Ed: *The congregation says, "Amen!"*]. The Pharisees were not obliged to believe in Jesus, but they were the devil incarnate. The Sadducees were the devil incarnate; The Herodians, Essenes, all were servants of the devil and it is the same today. Catholics, Protestants, Evangelicals and Branhamists, they are all servants of the devil. [Ed: *The congregation says, "Amen!"*].

13 We do not follow a church but a living prophet messenger sent from God. The Bible is the Book of the Books of Prophets because God sends prophets on earth and not books or churches. You are not obliged to believe in me but we will stand together at the judgment before the throne of God. [Ed: *The congregation says, "Amen!"*]. Look in North Africa! Where are the gods of Egypt of the time of Moses? Where are the gods Buto, Amon-ra,

THE BOOK OF PROPHET KACOU PHILIPPE

Osiris, Zeus, and so on? Look in Israel! Where are the Pharisees, Sadducees, Essenes, Herodians and others? They are today Catholics, Protestants, Evangelicals and Branhamists. Every Catholic church is an altar of Satan, every Protestant church is an altar of Satan; every evangelical church is an altar of Satan; every mission and ministry is an altar of Satan; every Branhamist church is an altar of Satan. The whole Christianity is the kingdom of Satan. *[Ed: The congregation says, "Amen!"]*.

14 From the top of the pyramid, I see this and you do not believe in it because you are sons of the devil. They are the gods of Egypt who have walked side by side with Israel until they come to settle there in Israel. And they were these same demons who traveled side by side until they established themselves here now, in Christianity. And I showed this in the war of Armagedon. It is the same battle that began in Heaven. These prophets that you see today were in Judaism. They all preached Moses and all claimed themselves of Abraham. Like Elijah, they all claimed themselves of Jehovah, they performed great wonders, and a prophet was needed to unveil them. *[Ed: The congregation says, "Amen!"]*.

15 When an army of demons was defeated, it came forth and went conquering and that it might conquer, and it was Hinduism. When another army of demons was defeated, it came forth and went conquering and that it might conquer, and it was Buddhism. When another army of demons was defeated, it came forth on a red horse and went conquering and that it might conquer, and it was Islam. And having got closer, I saw that, just as Islam is not from Judaism, so Catholicism is not from Christianity, just as Protestantism is not from Christianity, just as the evangelical churches and the Branhamists are not from Christianity. I first saw a pale horse which is Rome, then a black horse, then a red horse which is Islam and finally a white horse. A false Christianity, Revelation 6 was first for the pagan humanity before being inside Christianity as the seals reveal that. If all I am saying this morning is written somewhere, I do not know but it is by the revelation of Jesus Christ, the Angel and the Lamb of April 24, 1993, that I say it and we believe in it because the Word of God comes only to the prophet. *[Ed: The congregation says, "Amen!"]*.

16 The prophet messenger is him that reconciles his generation with God. And as I said, only a prophet messenger produces an exodus. A ministry of Ephesians 4:11, no matter how great it is, or a truth, no matter how powerful it may be, cannot produce an exodus. This means that an apostle, a church prophet, evangelist or teacher cannot found a church. A pastor cannot found a church but this is strictly reserved to the prophet messenger in a generation. *[Ed: The congregation says, "Amen!"]*. A man cannot found a church because he has a truth or an anointing that others do not have. This is reserved to the prophet messenger of the generation. Amen! And forty years after the death of the prophet messenger, look for what God is doing in your time. That is why, you who are living in this year 2013, it is not necessary for you to seek and read or understand all that William Branham preached. It is not important for you. It is history.

17 What William Branham preached is just good to increase your knowledge but that can never lead you to the Salvation or to Christ because Christ, walking in the midst of the seven golden lamps, has moved. *[Ed: The congregation says, "Amen!"]*. William Branham's Message is not what will save you today. What John Wesley preached is just good to increase your knowledge. What Martin Luther preached is just good for increasing your knowledge. And it is the same for what William Branham preached. But that is not what will save you today.

18 What Martin Luther, Columban, Saint Martin of Tours and Irenaeus preached, that is just good to increase your knowledge but that is not what will save you today. What Apostle Paul, Jesus of Nazareth, John the Baptist, Jeremiah, Isaiah and Moses preached, that is just good to increase your knowledge. It is history but that is not what will save you today. Believing that you can be saved by basing your faith on a prophet who is already dead, or the Bible or the Quran, it is Satanism. *[Ed: The congregation says, "Amen"]*

19 And from generation to generation, there has always been only one mediator between God and men and it is the prophet messenger that it pleased God to send you in his love so that whoever believes in Him through this Prophet messenger may not perish but have eternal Life. I know that these words are hard but these are the words of eternal Life. To be saved, to have eternal Life, you must believe in the living prophet messenger of your time, for eternal Life is the reward of the prophet. *[Ed: The congregation says, "Amen!"]*. When a promise has already been fulfilled more than 40 years ago, what you need to talk about is the promise coming up and that is the faith of the Jews transmitted to the saints once and for all.

20 Just as the sun of the day brings light on the whole face of the earth, it is in the same way that the preaching of the living prophet brings eternal Life to the earth. *[Ed: The congregation says, "Amen!"]*. But any Word of

THE BOOK OF PROPHET KACOU PHILIPPE

God, not proceeding from a living prophet messenger, brings discord and darkness on the earth. It is Christianity that has brought darkness on earth. Today, every preaching based on the Bible or the Message of William Branham is a source of darkness on the earth. The Word of God and the eternal Life are only with the living prophet messenger on the earth. And the four ministries of the Word only echo this Word to give the eternal Life to the elect in their generation.

21 When, in the time of Noah, mankind was rejoicing because the preaching of the Gospel of Jesus Christ had reached every corner of the earth, Prophet Noah was only seeing Catholics, Protestants, Evangelicals and Branhamists on the earth. He did not see anyone saved outside his lot. At the time of Noah every nation under the heavens was God's second homeland after Israel and slogans such as God bless such and such a country, just like the "*God bless America*", could be seen. And it hurts my heart because if that American nation knew God, she would not kill Ben Laden and leave Tommy Osborn, Joel Osteen, T D. Jakes, Doug Batchelor and all those American bishops and prophets alive. And if Asia knows God, why isn't it having Mr. Paul Yonggi Cho imprisoned on a warship on the Indian Ocean? [*Ed: The congregation says, "Amen!"*].

22 If the earth knows God, why are Chris Oyakhilome, David Owuor, Emmanuel Makandiwa, Uebert Angel, T. B. Joshua and David Oyedepo in peace? If the earth knows God, why are Joel Osteen, T.D. Jakes, Doug Batchelor, Billy Graham, Edir Macedo, Valdemiro Santiago, Silas Malafaia, Paula White, Joyce Meyer, Alberto Mottes, Claudio Freidzon and Dante Gebel in peace? If the earth knows God, why are Benny Hinn, Manasseh Jordan, Jesse Jackson, John Hagee, Pat Robertson, Joaquim Gonçalves, Donald Parnell, Alejandro Bullón and Guillermo Maldonado in peace? [*Ed: The congregation says, "Amen!"*].

23 If the earth knows God, why has Christianity become the land of invasion of all the gods of the Hinduism, Buddhism, Islam and of Rome as Israel was in the time of Elijah? If the earth knows God, why are Catholics, Protestants, Evangelicals and Branhamists free, walking freely while the thieves of cell phones are in prison? [*Ed: The congregation says, "Amen!"*]. And today, the whole Christianity is invaded by the gods of the nations, becoming thus the most immense polytheism that the world has ever known. Today all the gods of Egypt, Babylon and Rome are here, revealing and preaching the pure word contained in the Bible and performing authentic miracles in the Name of Jesus-Christ.

24 Every church is the altar of a deity of the nations and her leaders are a representation of the priests of Egypt. This is exactly what takes place to the point that it is improper for me to call them prophets, apostles, teachers or evangelists. You see? A bandit in the uniform of a police officer, a bandit who is setting himself up as a police officer, should I call him a police officer if I know it now? No sir! But if I do it, may God forgive it to me, me and mine. Are Mister Francis I and all the Catholic leaders of the whole world and all those that work in the same spirit as him servants of God? Are Mister. Tommy Osborn, Mister Benny Hinn, Mister Billy Graham... and all the dignitaries of each evangelical church on earth and all those that work in same spirit as them servants of God?

25 Are Mister Collins of the Branham Tabernacle, Mister Ewald Frank, Mister Billy Paul and Mister Joseph Branham and all the dignitaries of each church from the Message of William Branham on the earth and all those that work in same spirit as them, servants of God? Why does Apollos have to continue perpetuating again the work of John the Baptist while Paul is there on earth? Are all the sons of Moses who do not pour water on the hands of Joshua servants of God? A man who has never been established by a prophet messenger according to Leviticus 8, should I have to call him prophet, apostle, evangelist, teacher, priest, pastor or bishop? No sir! But if I do that, may Jehovah forgive it to me, me and mine. [*Ed: The congregation says, "Amen!"*].

26 If it happens that I give a title of servant of God to someone who has made himself a servant of God, or who has been made a servant of God by the hands of men, may Jehovah, the God of Israel forgive it to me, me and mine. You see? And you say: "*I am prophet of the nations*", alright but the Hebrew word for Prophet is nabi and this word literally means spokesman. And therefore, as a spokesman of God, what is the Message that you have brought and which mankind does not know? What is your call and commission and what is your book like those of Jeremiah, Isaiah, Daniel and the prophets in the Bible? You see? Whether they are the preachers who preach prosperity, those that accept the homosexuals, those that preach sanctification, holiness, weeping at the pulpit for those that perish according to them, it is the same thing, they are demons. [*Ed: The congregation says, "Amen!"*].

THE BOOK OF PROPHET KACOU PHILIPPE

27 They all serve the devil but why is it then that the Catholic, Protestant, evangelical and Branhamist priests or pastors and the great Rosicrucian and free-mason masters are wealthy whereas the nganga, charlatan and marabouts of Africa are so poor? Why are they so wealthy whereas the voodoo priests of Benin and Haiti are so poor? Why are the Catholic, Protestant, Evangelical and Branhamist leader so wealthy whereas the traditional fetish priest of my village is so poor? Why that? While both serve the same god with the same power, with the same holy spirit. Why that? Because the fetish priest of my village does not know how to read. If he could read, he would take the Bible and with the same demoniac power, he would found a big church. [Ed: *The congregation says, "Amen!"*]. It is the same thing today with all these evangelical churches, missions and ministries that you see on the whole face of the earth.

28 Well. Now, let's consider Israel and the Jews that went out of Egypt according to Numbers 33. They went from Rameses and encamped there and there were springs of water and palm trees because there was a living prophet named Moses. And they went from there and encamped in another place and there were springs of water and palm trees because there was Joshua, a living prophet. And they went from there and encamped again in another place and there were springs of water and palm trees because there was Jeremiah, a living prophet. And they went from there and encamped again and there were springs of water and palm trees because there was Isaiah, a living prophet. And they went and encamped again because there was a living prophet. Only a living prophet made Israel move forward. And when there was no living prophet, Israel encamped there. And the Bible says that they went from there and encamped at Elim where there were twelve springs of water and seventy palm trees which are the twelve Apostles and the seventy disciples because there was a living prophet, Jesus of Nazareth. [Ed: *The congregation says, "Amen!"*].

29 Now look from verse 10 down to the end of the chapter and see how many encampments there have been from Jesus Christ to the rapture. About forty. And there will be as many prophets for the nations according to Matthew 23:34. [Ed: *The congregation says, "Amen!"*]. You say: "*There are seven messengers because there are seven Church ages and seven Stars*". But like Peter in Acts 2:37-38 for the baptism, the prophet of your generation says that there are seven stars, seven heavenly angels; but on the earth, there will be tens of prophet messengers. There will be prophet messengers until the Lord comes for the rapture. You cannot limit God. Esther 1 says that there are several princes and several chamberlains but seven of them were the closest to king Ahasuerus and after the Seventh watch, after the refusal of Branhamist Vashti to come out, Hegai, an eighth chamberlain of first order appears with Esther. [Ed: *The congregation says, "Amen!"*].

30 You limit God and you say, "*There will be five manifestations of the Spirit of Elijah on earth*" What about Enoch who was raptured before the Flood? What about one of the two Angels who walked on both sides of God in Genesis 18 and who called Fire down on Sodom and Gomorrah? What I am saying is the truth of Jesus Christ which cannot fail, neither in this century nor in the century to come until the eternity. And I pronounce it according to the divine mandate of April 24, 1993. However, I know that that does not set me above you because if there had not been one April 24, 1993, I would be one of them in one of these Catholic, Protestant, Evangelical or Branhamist churches. O God, mercy!

31 If I have been chosen and sent, it is for a reason. Your redemption as well as mine comes from the sacrifice of the Lord Jesus-Christ on the cross. Every prophetic ministry of first order proceeds from the Lord Jesus Christ Himself, appearing in every generation as that has always been. [Ed: *The congregation says, "Amen"*] And Salvation is similar to the High priest of the priesthood who takes the bread, eats of it first and then gives some of it to the people. Thus is it of Salvation, of the living prophet and of his generation. And the prophet comes in the Name of the Lord Jesus-Christ as the Salvation and the Kingdom of God for his generation so that whoever rejects this living Prophet has rejected Salvation. Revelation 19:10 says that the Spirit of prophecy is the testimony of Jesus-Christ. Acts 13:48 says that all those that were ordained to eternal Life believed in Paul and today, if somebody is ordained to eternal Life, he will believe in the only living prophet messenger in his generation. [Ed: *The congregation says, "Amen"*]

32 When John the Baptist said in John 1:21 that he was not Elijah, if the Lord Jesus-Christ had not said anything and that I came and told you John the Baptist was Elijah, whom amongst you would believe in me? And yet you must believe because I am the prophet messenger of this generation. A prophet messenger does not conform to what another prophet messenger said. A prophet messenger does not conform to the Bible but he is the light of his time, he receives his revelation directly from God. [Ed: *The congregation says, "Amen!"*]. And you listen to

THE BOOK OF PROPHET KACOU PHILIPPE

those theologians and so-called servants of God with those demonstrations of the Bible. For me, they are nothing but animals because if they were of God, they would say, "*Let every man be false and only God true. I am not a prophet messenger, nor a son of Prophet. So, I have nothing to say*". You see?

33 No matter how true or biblical the demonstration of a so-called servant of God is, that will never interest me because the truth of a demon is a lie. And if you are a son of God, you must not follow somebody because he says the truth but you will look for the prophet of your time. The Word of God comes only to the prophet and the priests who are the ministries of Ephesians 4:11 in the new Covenant have the mission of echoing what the prophet messenger of their time has said.

34 On the whole face of the earth today, if someone is an apostle, church prophet, evangelist, teacher or pastor, it is what Prophet Kacou Philippe says today that he must take to preach in his church. [*Ed: The congregation says, "Amen!"*]. Outside that, he is a servant of the devil. If his foundation is the book of Moses, the book of Isaiah, Jeremiah, Amos, the gospels of Matthew, Mark, Luke, John or the epistles of Paul, he is a liar because his prophet, it is not these ones, but his prophet is Kacou Philippe. His living prophet, it is Kacou Philippe, he is in the generation of Kacou Philippe and it is because he is a son of the devil that he refuses to humble himself. [*Ed: The congregation says, "Amen!"*].

35 God can never recognize another way apart from what He Himself has traced. For a pastor, an apostle or another ministry of Ephesians 4:11 to exist today, there must be a prophet messenger for all the nations of the earth. If somebody tells you that he is an evangelist or apostle or pastor, ask him the name of the prophet who established him. And if he does not say the name of the prophet who established him according to Leviticus 8, call him "*Mister*" or "*Madam*". But, do not call him apostle, prophet, evangelist, or teacher because he is a servant of the devil. Tell him that one is not a doctor, a member of parliament, a minister or a president just because he wants it, but there is a way to become it and it was Moses who established the priesthood of his time.

36 It was John the Baptist who chose his apostles and disciples. It was the Lord Jesus Christ who chose his apostles and disciples. It was Paul who chose his apostles and disciples. And that, therefore, they are the prophets who establish the priesthood in their generation. And even in a country, it is the president who establishes his ministers and if it was not the case, we would have at least fifty ministers of information, eighty ministers of defense and from one day to the next, a butcher or a carpenter will be a doctor. Imagine what will follow. You see? [*Ed: The congregation says, "Amen!"*]. It is a prophet messenger who must give you the mandate according to Leviticus 8. And he that can understand, let him understand.
